Tall Grass Catering

Catering Menu

Tall Grass Prairie Bread Company has been known for its commitment to organic grains, fresh milling, high quality baking and whole food since its beginnings in 1990.

Breakfasts and snacks: The main focus of catering at Tall Grass is on baked goods for morning meetings as well as snack breaks. We also have lovely platters of fruit, cheese or veggies.

For small breakfast and snack events we require 24 hour notice, and appreciate 48 hours. In an emergency, call us and see if we can make it work. We cater meetings from 30 to 3000 people with our cinnamon buns, muffins, scones, squares, cookies and platters.

We put together delightful arrangements for business, government and educational meetings, and can also supply conferences and other larger events.

We generally do NOT cater coffee, lunches or suppers, except for larger events, by special arrangement. We require at least two weeks notice for these events, of 50 people and more.

Breakfast Platters

Choose from fresh, out-of-the-oven mini versions of our cinnamon buns, muffins, biscuits and croissants.

\$2.95 per person
(includes 2 pieces of mini baking)

Fruit Platters, Veggie Platters, Cheese Platters

Fresh fruit, vegetables or cheeses, beautifully arranged, offer a healthy alternative snack option. The fruit and veggies we use are not necessarily organic. We use mainly Manitoba Bothwell cheeses.

- **Mini** (serves up to 7) **\$26.00**
- **Small** (serves up to 15) **\$39.00**
- **Medium** (serves up to 22) **\$59.00**
- **Large** (serves up to 30) **\$74.00**

Cracker and cheese platters or larger **combination platters** are available. If combining other food with these platters, a smaller size often works well.

Savoury Breakfast Squares

This catering-size version of our popular breakfast square is fingerfood friendly. Please allow 48 hour notice for any savoury square order.

\$2.10 per square

A word on **butter**. In our experience at most 20% of people will use butter. To avoid unnecessary waste, we include 30% of butter and knives free of charge. Extra butter and knives may be purchased at cost. Our traditionally-prepared **house jams** are available in 250 ml jars for \$6.95 per jar. We have various flavours. For environmental reasons we do not supply jam in portion cups. Enjoy left-over jam at home!

Dessert Platters

Nothing brings smiles to a group like Tall Grass Prairie's famous sweet treats. Choose from lemon squares, date squares, brownies, cinnamon buns, fruit loaves and a range of yummy cookies. In general, a portion includes one square and 1.5 cookies. You can also just order squares and/or cookies. **\$2.95 per person**

Half and full-sized pan **cakes** available for larger events. Please enquire for details.

Pickup & Delivery

Our catering is focused on early morning breakfast options or snack platters during the mid morning and afternoon. Late afternoon catering needs to be negotiated.

For small and medium sized orders, customers can pick-up their catering orders or send a courier to do so. There is a handy loading zone behind The Forks Tall Grass Bakery along the tracks, which make pick-ups very easy.

Delivery of catering orders for large events such as conferences, receptions, press conferences and similar functions is available with at least 10 days notice. In general, events of 80 people or more qualify for delivery. We do try to keep a sense of flexibility and common sense around this number.

To place an order, our catering team can be reached at 204-947-1297 or through email at catering@tallgrassbakery.ca.

Beverages

Small Juices (300 ml) **\$1.25**

Water (500 ml) **\$1.25**

Note: **Coffee** service is exclusively available for larger events of 50 people or more, and includes a pick-up fee for all carafes. Call for details.

We will put together a delightful arrangement to meet your needs and look forward to serving you.

Catering, the Tall Grass way...

- We bake because it is our passion
- We mill organic grains because we believe in the power of the fresh whole kernel

- We bake mostly with our own fresh ground organic flour, because there's nothing like it
- We press our own sunflower oil because only fresh cold-pressed organic oil carries wholesome goodness
- We buy locally because we enjoy knowing our growers and suppliers and helping each other look after the land.
